1 53. An apparatus according to claim 50 including means responsive to voice input  
2 for generating text. --

REMARKS

The foregoing amendments are made to clarify and refine the claims before examination.

Submitted herewith is a USPTO Credit Card Payment Form authorizing payment in the amount of US\$ 216.00 for the additional claims submitted herewith. The originally submitted claims included 23 claims of which 3 were independent. Presently there are 30 claims of which 6 are independent.

Respectfully submitted.

Walter C. Farley
